

DARRELL L. HUDSON

Washington University in St. Louis
One Brookings Drive
Campus Box 1196
St. Louis, Missouri 63130
Telephone: (314) 935-3517
Fax: (314) 935-8511
Email: dhudson@wustl.edu
Born: June 8, 1980, Detroit, Michigan

EDUCATION & TRAINING

- 2009-2011 **Post-doctoral Research Fellow**
University of California at San Francisco/ Berkeley
Kellogg Health Scholars Program, Multidisciplinary Track
Area of Specialization: Social Epidemiology
Site Mentors: Paula A. Braveman, M.D., MPH and S. Leonard Syme, Ph.D.
- 2009 **Doctor of Philosophy, Health Behavior and Health Education**
University of Michigan School of Public Health, Ann Arbor, Michigan
Dissertation: "Race, Socioeconomic Position, and Depression: The Mental Health Costs of Upward Mobility"
Committee: Harold W. Neighbors, Ph.D. (chair), Arline T. Geronimus, Sc.D., James S. Jackson, Ph.D., and Karyn R. Lacy, Ph.D.
- 2005 **Master of Public Health, Health Behavior and Health Education**
University of Michigan School of Public Health, Ann Arbor, Michigan
- 2002-2003 **Post-Baccalaureate Intramural Research Fellow**
National Institute on Drug Abuse, Baltimore, Maryland
- 2002 **Bachelor of Arts, Psychology, *Cum Laude***
Morehouse College, Atlanta, Georgia

ACADEMIC EMPLOYMENT

- 2016- present Associate Professor, Brown School, Washington University in St. Louis
2011- 2016 Assistant Professor, Brown School, Washington University in St. Louis
2016- present Assistant Professor, Department of Psychiatry, Washington University School of Medicine (Secondary)
2019- present Associate Professor, Department of Sociology, Washington University in St. Louis
2011- present Faculty Scholar, Institute for Public Health
2016- present Faculty Affiliate, Center for Social Development
2014- present Faculty Investigator, Center for Mental Health Services Research
2012- present Faculty Affiliate, Center for Violence and Injury Prevention
2012- present Faculty Affiliate, Center for Diabetes Translation Research

FELLOWSHIPS AND AWARDS

- 2014-2016 Robert Wood Johnson Foundation New Connections Junior Investigator Award
2013-2015 Kaiser Permanente Burch Minority Leadership Development Program Award
2014 Maternal, Child and Family Health Coalition Dr. Terry Leet Researcher Award

2013	Robert Wood Johnson New Connections Research and Coaching Clinic
2012	Arlene Rubin Stiffman Junior Faculty Research Award
2011-2015	NIH Health Disparities Loan Repayment Program
2009-2011	Kellogg Health Scholars Program
2010	Robert Wood Johnson New Connections Research and Coaching Clinic
2009	Mabel R. Rugen Dissertation Award
2009	Finalist, Robert Wood Johnson Health and Society Scholars Program
2005-2009	University of Michigan Horace H. Rackham Merit Fellowship
2008	Kenneth Lutterman Award for Exemplary Student Paper in Mental Health
2008	Horace H. Rackham Graduate School Conference Travel Grant
2008	Department of Health Behavior and Health Education Conference Travel Grant
2006-2007	Center for Research on Ethnicity, Culture and Health Pre-doctoral Award
2007	Center for Research on Ethnicity, Culture and Health Conference Travel Grant
2006	Minority Health and Health Disparities International Research Training Award
2005	University of Michigan Horace H. Rackham Summer Institute
2004-2005	Abbott Laboratories Scholarship
2004-2005	Center for Research on Ethnicity, Culture and Health Master's Training Award
2005	Edward Ginsberg Community Service Award
2005	Department of Health Behavior and Health Education Conference Travel Grant
2002-2003	National Institutes of Health Intramural Research Training Award
2002	Morehouse College Psychology Department Honors
2001	Psi Chi, the National Honor Society in Psychology
2000-2002	Ronald E. McNair Scholar
1998-2002	Boyd A. Eatmon Scholarship, Four year full scholarship

POLICY BRIEFS

Hudson, D.L. (2013). How can we improve mental health in St. Louis? Invest in our community and raise awareness. Appears in the *For the Sake of All* series. Available at forthesakeofall.org/publications.

REPORTS

Brown School. Saint Louis Mental Health Board Needs Assessment. St. Louis, MO: Washington University in St. Louis; 2015.

For the Sake of All: A Report on the Health and Well-Being of African Americans in St. Louis—and Why It Matters for Everyone. 2014. St. Louis, MO: Washington University in St. Louis and Saint Louis University.

GRANT PARTICIPATION

Title: Collaboration on Race, Inequality, and Social Mobility in America Conference (\$50,000)

Date: 2018-2019

Funded by the Ford Foundation
Role: Principal Investigator

Title: Intergenerational Transmission of Stress and Health Disparities (\$3,000,000)

Date: 2019-2024

National Institute of Aging; SPIP Section [1R01AG061162-01]

Role: Co-Principal Investigator

Objective: To investigate the intergenerational transmission of stress-related psychosocial and biological factors and how these factors influence racial/ethnic health disparities.

Title: Mixed Methods Analysis of Interdistrict School Transfer Program Participation and Student Health

Date: 2017

Funded by the Washington University Institute for Public Health

Role: Co-Principal Investigator

Objective: To investigate the health status and health behaviors among Voluntary Interdistrict Choice Corporation (VICC) participants.

Title: Examining the Association Between Mental Health, Health Behaviors, and Type 2 Diabetes among Centene Patients (\$5,000)

Date: 2017

Funded by the Envelope™ Center for Health Behavior Change

Role: Principal Investigator

Objective: To determine the mental health needs among Centene patients and examine the association between mental health conditions and health behaviors.

Title: An Examination of Race and Costs of Upward Social Mobility in St. Louis (\$10,711)

Date: May 2016- July 2017

Funded by the Washington University Ferguson Academic Seed Fund

Role: Principal Investigator

Objective: The goal of this mixed methods study is to investigate costs of upward mobility among middle class African Americans in St. Louis.

Title: Community University Partnerships (\$1,500)

Date: March 2015- December 2015

Funded by the Washington University Provost Cross-School "Bring Your Own Idea" Grant

Role: Co-Facilitator

Objective: To host a series of networking events in order to stimulate and foster transdisciplinary, cross-school collaborations on community-university partnerships.

Title: The High Cost of Mental Health: Examining Environmental Affordances and Health Behaviors in the Pathway of Mental and Physical Health (\$100,000)

Date: September 2014- August 2016

Funded by the Robert Wood Johnson Foundation

Role: Principal Investigator

Objective: To examine the relationship between social context, stress, mental health and physical health using data drawn from the Missouri Family Study (MOFAM), a longitudinal study of African American and white families from the state of Missouri.

Title: Mental Health Needs Assessment in the St. Louis Community (\$62,922)

Date: December 2014- June 2015

Funded by the Saint Louis Mental Health Board

Role: Co-Investigator

Objective: To determine major Mental Health Board (MHB) investments and program outcomes, to capture behavioral health priorities, and identify market area of behavioral health service providers.

Title: Stay Healthy Assist at Home: Preventing Hospital Readmission Among High Risk Patients with Diabetes (\$314,655)

Date: June 2012- June 2015

Funded by the Foundation for Barnes Jewish Hospital

Role: Principal Investigator

Objective: To prevent unscheduled hospital readmissions among patients with diabetes among Medicare patients in the St. Louis Metropolitan area.

Title: A Report on the Economic, Educational, and Health Status of African Americans in St. Louis (\$219,779)

Date: March 2013- March 2014

Funded by the Missouri Foundation for Health

Role: Co-Principal Investigator

Objectives: To describe the state of health and health-related factors among African Americans in the St. Louis region; to develop policy briefs that identify solutions to disparities and connect with community stakeholders.

Title: Barriers to and Experiences of Depression Care in African American Men (\$5,000)

Date: June 2012- January 2015

Funded by the Arlene Rubin Stiffman Junior Faculty Research Award

Role: Principal Investigator

Objectives: To determine what barriers African American men face in seeking and obtaining depression treatment and to investigate the type and quality of depression treatment African American men receive as well as their feelings about the appropriateness and acceptability of depression treatment.

Title: Understanding Lower Rates of Depression in African Americans (\$55,000)

Date: July 2011- June 2013

Funded by the National Institutes of Health Division of Loan Repayment Health Disparities LRP

Role: Principal Investigator

Objectives: To examine racial/ethnic differences in depression detection and treatment; to investigate the relationship between racial discrimination, socioeconomic position and depression among African Americans and whites.

Title: Costs of upward mobility: The effects of social mobility, socioeconomic position and stress upon the mental and physical health of Black Americans (\$14,520)

Date: February 2010 – August 2011

Funded by the University of California at San Francisco Health Disparities Working Group

Role: Principal Investigator (Mentor: Nancy Adler)

Objectives: To examine how racial discrimination is patterned by social mobility and socioeconomic position; to investigate the relationship between social mobility and depressive symptoms and self-reported health and whether the relationship varies according to race among Coronary Artery Risk Development in Young Adults (CARDIA) Study respondents.

Title: Racial/Ethnic and Socioeconomic Differences in Depression Detection and Treatment among respondents in the Diabetes Study of Northern California (DISTANCE) Study

Date: September 2009 – July 2011

Funded by the National Institute of Diabetes, Digestive and Kidney Diseases [R01 DK65664] and the National Institute of Child Health and Human Development [R01 HD046113].

Role: Co-Investigator (Principal Investigator: Andrew J. Karter)

Objective: To evaluate whether there are significant racial differences in the rates of physician recognized depression detection among DISTANCE respondents who met criteria for depression on the depression screener in the Kaiser System.

Tess Thompson	Intimate Partner Influence on Health
Roger Wong	Alzheimer's Disease and African Americans: Health Disparities from Risk to Outcomes

Dissertation Committee Member for:

Kassandra Alcaraz	Understanding Poor and Minority Women Who Are Unscreened or Underscreened for Breast Cancer
Donald Gerke	The Role of Violence Exposure and Pathways to HIV Risk Behaviors in Black and White Young Men who have Sex with Men (YMSM)
Lailea Noel	Neighborhoods and Health Care Delivery: Supports and Barriers to Breast Cancer Treatment Initiation
Karen Matta Oshima	Sexually Violent Male Youth in the General Population and Their Young Adult Outcomes
Harry Chatters Taylor	Racial Differences in Social Isolation among Older Adults
Tess Thompson	Social Support and Intimate Partnerships in African American Breast Cancer Patients
Whitney Sewell	Individual and social network factors influence on pre-exposure prophylaxis use among Black women
Sha-Lai L. Williams	Mental Health Service Utilization Rates among African American Emerging Adults
Roger Wong	Lifestyle Behaviors and Racial Differences in Alzheimer's Disease

Teaching Assistant **2008-2009**

University of Michigan, Inter-university Consortium for Political and Social Research (ICPSR).

Course: Methodological Issues in Quantitative Research on Race and Ethnicity (Lead

Instructors: Philip Bowman, Angela Ebreo, and John Garcia)

Responsibilities: Taught small group sessions, lead class discussions, graded assignments and assisted students in developing independent research projects.

Peer Mentor **2008**

Undergraduate Research Opportunity Program and Rackham Summer Institute

University of Michigan, Horace H. Rackham Graduate School

Responsibilities: Provided mentorship for underrepresented undergraduate students interested in pursuing doctoral degrees as well as incoming underrepresented incoming students transitioning into graduate school.

Teaching Assistant **2007-2008**

University of Michigan, Departments of Psychology and Health Behavior and Health Education

Course: Independent study (Lead Instructor: Marc Zimmerman)

Responsibilities: Taught research methods, statistical techniques, and SPSS to masters and undergraduate students.

Community Health Scholar **05/2004- 08/2004**

University of Michigan Ruth Mott Community Health Scholars and Explorers Program

Responsibilities: Developed an extensive curriculum entitled Cratediggers Uncover Y.A. R.O.O.T.S. (Young Adults Recognizing, Redefining and Reclaiming Their Own True Safe-Havens) designed to introduce Flint, Michigan- area high school students to public health research methodology and lead the development of an independent research project geared to address youth violence.

Teaching Training

- Teaching with writing; The Teaching Center, Washington University
- Leading effective discussions; The Teaching Center, Washington University
- Making group-work work; The Teaching Center, Washington University
- Applying cognitive science to teaching; The Teaching Center, Washington University
- Developing Rubrics to Measure Students' Critical-Thinking and Writing Skills; The Teaching Center, Washington University

GRADUATE RESEARCH EXPERIENCE

05/2005- 08/2009

Research Assistant

University of Michigan Institute for Social Research

Program for Research on Black Americans (PRBA), Ann Arbor, Michigan

Assisted PRBA faculty with the analysis of the National Survey of American Life (NSAL), which is a national panel study designed to investigate the mental health well-being and mental health seeking behaviors among African Americans, Caribbean Blacks, and Whites.

- Responsible for conducting statistical analyses that address complex survey design and preparing data tables and graphs
- Engaged in grant writing and preparation of papers for publication to peer reviewed journals

05/2006-08/2009

Co-principal Investigator

Minority Health and Health Disparities International

Research Training (MHIRT)

University of Michigan, Center for Human Growth and Development

Investigated correlates of youth violence in Durban, Kwa-Zulu Natal, South Africa.

- Lead data collection in schools in rural townships outside Durban, South Africa
- Coordinated management and data analysis
- Trained MHIRT trainees in research methods, statistical analysis, and project logistics.

9/2005-5/2006

Research Assistant

University of Michigan School of Public Health

Flint Youth Violence Prevention Center, Flint and Ann Arbor, Michigan

Assisted the Flint Youth Violence Prevention (YVPC) with the management and analysis of crime data from the Flint Police Department.

- Assisted in the management and classification of police data.
- Conducted exploratory and preliminary data analysis

10/2003- 8/2005

Research Assistant

University of Michigan School of Public Health, Ann Arbor, Michigan

Worked with the Flint Fathers and Sons Project, a CDC-funded intervention program designed to increase communication and active parenting among non-resident African American fathers and their pre-adolescent sons in an effort to prevent or reduce likelihood of engaging in risky behavior.

- Coded qualitative interviews and focus groups
- Conducted literature reviews
- Assisted with managing datasets and running descriptive data analyses.

11/2003- 12/2004

Community Health Scholar

Ruth Mott Community Health Scholars/ Explorers Program

University of Michigan School of Public Health
Office of Community Based Public Health, Ann Arbor, Michigan

Worked with Flint, Michigan-area high school students on a youth violence prevention research project.

- Lead socialization sessions geared towards college preparation and utilization of research methods
- Developed a short film utilizing VideoVoice, an innovative participatory advocacy method adapted from Photovoice methodology, with youth

2002-2003 *Research Fellow*

National Institutes of Health, Baltimore, Maryland

The Teenage Tobacco Addiction Research Treatment Clinic of the National Institute on Drug Abuse (NIDA) examined the safety, tolerability, and efficacy of the nicotine trans-dermal patch and nicotine gum.

- Interviewing study participants
- Assisted with the management of data preparing manuscripts
- Catalogued human tissues and blood samples and prepared samples for chemical assays
- Aided in the preparation of papers for publication in peer reviewed journals

2000-2002 *Research Assistant and Laboratory Manager*

Morehouse College Psychology Department, Atlanta, Georgia

Investigated the effects of racial stress and personality variables such as anger management expression style and racial identity on cardiovascular reactivity of African American men.

- Served as laboratory manager for two years
- Trained and supervised seven undergraduate students
- Responsible for ensuring that research protocol was followed and managed data collection
